

## Celebrating 40 Years

**Join the LACHSA Foundation for the 40th Anniversary Gala, an intimate, immersive experience in celebration of the number one public high school for the arts in the nation.**

The LACHSA Foundation and LACHSA are celebrating our 40th Anniversaries and you are invited to join this very special moment in history. LACHSA's impact has been everywhere you turn from Broadway to NASA, from the Met to the NEA, from creative industry leaders to leading companies that inspire change across the world. We invite you to the 40<sup>th</sup> Anniversary Gala on Saturday, April 26, 2025, held at the City Market Social House, a contemporary warehouse space in DTLA's Fashion District.

This unprecedented time for Los Angeles County has given us both pause and resolution to further our purpose. Our Board of Directors and family of LACHSA donors, partners, and school administration have already been working diligently to support the faculty and families who are directly impacted by the recent fires, as well as continuing to provide a home for its students to create and express through the arts.

Your support during this very challenging time is critically important and will help keep this very special public high school's free, exemplary arts education possible for all students who are born to create throughout Los Angeles County.

Our 40th Anniversary Gala will be a night to remember with intimate performances that will reflect LACHSA's excellence, passion, and innovation. We invite you to donate generously whether you provide an incredible auction item for our live or online auction, you become one of our esteemed sponsors, or you join us in a standing ovation of solidarity for LACHSA.

Guests will enjoy this special evening during a hosted cocktail hour with hors d'oeuvres which will begin at 6pm, followed by delicious wines and a three-course dinner. The celebration will also feature extraordinary student performances at every turn as well as special appearances from our esteemed alumni and LACHSA family of donors.

Please let us know if you will be able to support our mission or contact us with ideas or opportunities to make this 40th Anniversary Gala breathtaking. We greatly appreciate everyone's support.

In Gratitude,

Trena Pitchford  
Executive Director, LACHSA Foundation
