## Celebrating 40 Years

Join the LACHSA Foundation for LACHSApalooza, a benefit arts and music festival at The Greek Theatre in Los Angeles, in celebration of the number one public high school for the arts in the nation.

The LACHSA Foundation has the audacity to envision a future of abundance for the Los Angeles County High School for the Arts, lovingly referred to as LACHSA. Forty years ago, our visionaries believed LA County deserved a world-class public arts high school. They were right. Now, it's our turn. As a culminating celebration of our two-year 40<sup>th</sup> Anniversary campaign, we are reaching farther than any Gala could ever accomplish and hosting a benefit arts and music festival, LACHSApalooza, at the Greek Theatre in Los Angeles on Saturday, May 30, 2026.

LACHSApalooza is more than a charitable benefit—it is a celebration of creativity, community, and legacy. This one-of-a-kind arts and music festival unites world-famous LACHSA alumni with today's rising student artists, partners in philanthropy, and the people of the City of Angels and beyond at one of Los Angeles's most iconic venues. Together with 5,900 guests, we'll create an unforgettable experience that fuels the future of LACHSA for the next 40 years.

### ONE NIGHT. ONE MISSION. \$2.5 MILLION FOR LACHSA'S FUTURE.

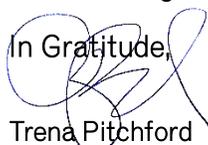

You are invited to join us. We believe LACHSA is worth every investment. LACHSA's impact is everywhere you turn - through the brilliance of its student artists, the creative innovation of its programs, and the global achievements of its alumni. Now is the time to guarantee the next 40 years of a public high school that continues to graduate fearlessly authentic student artists from five arts disciplines in Dance, Theatre, Cinematic Arts, Visual Arts and Music.

Your support is critical. Your involvement will help keep this very special public high school's free, conservatory level arts education possible for all its diverse student artists who are born to create. When you are 14 years old and that talented, this creative home prepares student artists for career pathways, provides equipment and artistic tools to advance their talent, and its professional teaching artists foster their artistic greatness.

LACHSApalooza is a call to action for all who believe in LACHSA's future. The LACHSA Foundation calls on all LACHSA's family - alumni, donors, arts philanthropists, parents, student artists, education leaders, and government officials. We invite you to donate generously whether you sponsor the benefit festival, provide an incredible VIP auction package for our two week online auction, introduce the opportunity to your colleagues, [invest in our big visions](#), or join us in a standing ovation of solidarity for LACHSA at LACHSApalooza.

LACHSApalooza offers new opportunities for LACHSA in marketing and public relations to bring this local public high school for the arts to the national stage. All of our guests will enjoy an hour and a half of pre-festival entertainment and at least three and a half hours of a benefit arts and music festival with performances that will be the talk of the town! We have already secured LACHSA's world renowned alumni to perform at the festival and we cannot wait to provide additional thrilling announcements in the months ahead.

How will you support our mission? Contact us with ideas or opportunities to make LACHSApalooza breathtaking. We greatly appreciate everyone's support for this very special cause and celebration.
